About Us

Pets are family. This belief is at the heart of everything we do at the Animal Rescue League of Boston.

We are proud to carry on a legacy of kindness, helping more than 20,000 animals annually since 1899.

A Year of Impact

-  More than **20,200** animals in need served in our community
-  **3,770** affordable wellness appointments provided to pet families facing barriers
-  **1,300** animals helped in humane law enforcement cases
-  **255,194** pet meals delivered to 1,173 families
-  **3,518** animals adopted
-  **\$4.2M+** raised by more than **11,800** donors and **141,000+** Social Media followers
-  **1,164** dedicated ARL volunteers

Why Sponsor?

While there are many life-saving accomplishments to celebrate, there is still more work to do!

Our animal population has changed and the animals in our care need more time and resources than ever before. At the same time, economic stress and the housing crisis are separating people from their pets due to cost of care, lack of access, and limited support

As a sponsor, you can help animals right now, when they need it most! Your sponsorship helps cover the cost of the event and will make sure the funds raised go towards getting animals everything they need including, food, shelter, and medical care, while also making sure our community-based programs remain accessible and affordable.

Sponsorship is a powerful opportunity to:

- showcase your business and reach a large audience of animal lovers and community members
- support a cause that is important to you and your customers

We expect about 80 guests from the local community to attend these in-person events.

ARL is an independent non-profit 501(c)3 organization. You can be confident that your gift will have a big impact for animals because ARL receives no government grants or public funding – individuals, community partners, and **sponsors like you are the driving force behind all we do to help animals.**

Sponsorship Opportunities
