Cape Cod Classics Car Club Revs Up to Help Animals in Need

Drive generates plethora of essential donations

This past week the Animal Rescue League of Boston's (ARL) Brewster Animal Care and Adoption Center received a large donation of essential shelter items from the Cape Cod Classics Car Club, who switched gears to channel their love for classic cars into a heartwarming mission.

The club's Saturday car shows at the Patriot Square Mall in Dennis is a beloved spring and summer tradition, featuring a wide array of eye-popping classic cars, and during the shows, the club urged attendees to fill their donation bin with items for animals in the care of ARL.

Club members and car show visitors alike filled the donation bin weekly with blankets, towels, crates, pet beds, and other vital supplies.

By the end of the season the club had amassed enough donations to overflow a heavy-duty pick-up truck, and were delivered this past week.

ARL is truly grateful for these items as they will help keep animals warm, cozy and even entertained for the months ahead. Additionally, the club plans to keep the momentum going during the 2025 car shows as well stating, "Together we can bring warmth, comfort, and care to even more animals in need".

ABOUT THE ANIMAL RESCUE LEAGUE OF BOSTON:

Pets are family. This belief is at the heart of everything we do at the Animal Rescue League of Boston. ARL is the first female-founded animal welfare organization in Massachusetts and is proud to carry on a legacy of kindness and compassion, helping more than 20,000 animals annually since 1899. Recognized for innovative, award-winning programs that go beyond sheltering, ARL addresses the root causes of the issues facing animals and the people who love them. By partnering with communities, ARL helps animals heal and thrive, keeps pets and people together, and protects animals from harm. Because there is no government funding for this important work, animals must rely on people like you to get the care they need, when they need it most, 365 days a year. For more information, visit arlboston.org and follow ARL on [Facebook](#), [LinkedIn](#), and [Instagram](#).
